

Advance Your Career with a PES Senior Membership

Senior Membership is a grade of IEEE PES membership that recognizes contribution to and experience in the field of electrical engineering. Your years of service to the industry may mean you are eligible to join this elite level of membership.

Senior Member Benefits:

- » **Recognition:** The professional recognition of your peers for technical and professional excellence.
- » **Senior member plaque:** All newly elevated Senior members receive an engraved Senior Member plaque to be proudly displayed for colleagues, clients and employers to see.
- » **Letter of commendation:** Upon request, a letter of commendation will be sent to your employer on the achievement of Senior member grade.
- » **Leadership Eligibility:** Senior members are eligible to hold executive IEEE volunteer positions.

DID YOU KNOW... Many PES members are eligible for Senior Member status, but fail to apply.

Eligibility:

To be eligible for Senior Membership you must:

- » be an engineer, scientist, educator, technical executive, or originator in IEEE-designated fields
- » have experience reflecting professional maturity
- » have been in professional practice for at least ten years
- » show significant performance over a period of at least five of their years in professional practice

How to Apply:

- » Applications can be submitted on-line year round (www.ieee.org/membership_services)
- » You must have one reference from a Senior Member, Fellow or Honorary Member.
